**MOTION FOR EXTENSION OF TIME TO SERVE DISCOVERY**

On February 20, 2013, this Court entered an Order (d/e 7) allowing Plaintiff to serve subpoenas upon Internet Service Providers to learn the identities of the owners of IP addresses at which Plaintiff has detected downloading and sharing of its copyright-protected movie. The Court's order granted until March 6, 2013 to serve subpoenas upon the Internet Service Providers. Unfortunately service upon one objecting Internet Service Provider was not completed until March 7, 2013. The one Internet Service Provider and one John Doe defendant has opposed the subpoena (see Motion and Memo, d/e 9 & 10) for its service one day past the Court's deadline.

Therefore, Plaintiff respectfully requests that the Court grant a one week extension of time to the deadline to serve subpoenas thereby extending the deadline to March 13, 2013 and also thereby rendering John Doe Number 9's motion (d/e 9) moot.

Should the Court grant the present motion, Plaintiff requests that John Doe Number 9's motion to quash subpoena should be denied.
